INFLATABLE SPA

MALIBU SPA

Design & performance

With its clean, modern design, this 4 or 6-person inflatable spa will fit perfectly into a contemporary or traditional space.

With its ultra-resistant laminated, imitation leather PVC outer and pearl interior liner, the Malibu spa is the perfect place for the family to enjoy some unforgettable moments of relaxation.

Like the other models in the NetSpa range, the Malibu has a smart, economical external motor unit, with three functionalities: Heating, Massage and Filtration.
